VOLUME 1

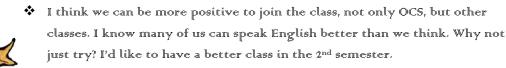

- I always tried to speak English in OCS1 class, however, sometimes I used Japanese. Next semester, I'm going to try to speak English more and improve my English speaking skill.
- This class is a great opportunity to speak English...all information is very helpful and useful. I will try to use more difficult English expressions.
- ✤ I want to speak only in English next semester and I decided to study English harder. From this class, I can gain confidence in speaking English.
- ✤ I didn't have confidence in speaking English but gradually I could speak without feeling nervous. I will prepare enough to speak only English.
- ✤ I think the 1st semester passed very quickly and I regret a little that I didn't make more time to study. I'll try to do my best this semester!
- I think that the mid-term oral exam gave me a lot of confidence to talk. After that, I could enjoy talking about various topics. Next semester, I want to speak more naturally and fluently.

Oral Comm Strats • B

- This class is helping my English get better. At first, I felt nervous, but now I can speak English without feeling nervous. But I'm still afraid of mistakes.
- My teacher and classmates are very kind so I could learn English in a pleasant atmosphere. I'll try to speak English only!
- I've learned many things in this class: not to be shy, don't hesitate about making mistakes. After these classes, I could talk with foreigners freely. But there are a few silent students. I don't know why they don't speak more.

- At first, I couldn't speak actively, I became more active. It was good to learn many strategies. I will try harder to speak more in the 2nd semester.
- I enjoyed joining this class. I found that communicating in English is fun. It was my first experience to speak English but it was a great experience.
